

How is the EmPower NY program funded?

We don't do this alone.

The EmPower NY program is funded by the New York State Energy Research & Development Authority (NYSERDA.) NYSERDA helps New York residents increase energy efficiency, save money, and reduce their carbon footprint.

CEO's staff are Building Performance Institute (BPI) certified and trained to the highest standards available.

Changing lives,

improving our community.

CEO offers additional services focused on making homes safer, healthier, and more affordable. To learn more about everything CEO has to offer, give us a call or visit our website.

CEO creates partnerships and develops opportunities for social and economic growth and empowerment in individuals, families and communities.

EmPower NY

Reduce energy usage and utility costs with free energy-efficient upgrades to lighting, appliances, and more.

CEO's EmPower NY Program

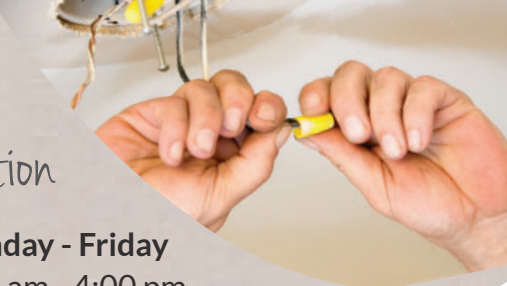

2331 Fifth Avenue, Troy, NY 12180 • (518) 272-6012
www.ceoempowers.org

Lower energy costs, save money.

Hours of
Operation

Monday - Friday
8:00 am - 4:00 pm

Possible Upgrades:

- LED light bulbs and light fixtures
- Energy Star-rated refrigerators
- Clothes dryer upgrades
- Water saving devices and hot water tank insulation

CEO staff provide education to residents on how to further lower their energy use. For safety, CEO also ensures that all smoke and carbon monoxide detectors are working correctly.

Eligibility Requirements:

Eligibility for EmPower NY is based on location and household income. Residents may be eligible if they:

- Currently live in or near Rensselaer County
- Are living in a building with 100 units or less
- Have high usage amounts of electricity (KWH) or gas (Therms) or oil/kerosene

AND

- Have a household income of less than 60% of the state median income (i.e. HEAP eligible)

OR

- Are currently enrolled in a utility payment assistance program

How EmPower NY Works:

One of the best ways to save money is to reduce heating fuel and electricity usage at home. By reducing the energy a home or apartment uses each day, residents can:

- Save on their utility bills each month
- Make their homes safer and more comfortable
- Reduce pollution

CEO is proud to offer EmPower NY, a program designed to help residents lower their home energy use through FREE appliance and fixture upgrades. CEO staff are trained to identify where energy is being lost in a home, and perform simple upgrades *at no cost* to help residents lower their monthly utility bills and increase the overall comfort in the home.

Upgrades are determined based on the needs of each home.

Income Eligibility Guidelines

HOUSEHOLD SIZE	MONTHLY
1	\$3,035
2	\$3,970
3	\$4,904
4	\$5,838
